Dwarakanath Bangalore		3	<p>I have been involved with Sri Ranganatha temple for more than 10 years in various capacities. I was initiated as Volunteer by Mr. Triambak Bharathi, who oversaw the construction and maintenance of the temple 10 years ago. As a member of this committee we successfully planned and executed erection of 3 domes at the temple replacing the old structure with a fiber glass-based dome for longer leak free service. In addition, we also embellished the gopurams with a golden foil exterior for enhancing the beauty and longer service life. In the recent year I was elected as secretary filling for Kishore Patapati.</p> <p>Dear patrons and members of the temple, I request you to vote for my candidacy as a trustee to continue my services to the temple</p>
